## Veterans' League To Bring G. O. P. Candidates Here

County Aspirants for Office  
To Appear at Legion  
Home Monday

The Lake County Chapter, Illinois Republican Veterans' league, will sponsor a public meeting at the American Legion home next Monday evening, Feb. 23, to present the Republican candidates residing in Lake County. The meeting is called at 8 p. m., and all persons interested are cordially invited to attend.

The sponsoring organization, made up of Republican Veterans throughout the county believes that the opportunity hereby afforded will help to create more interest in the coming primary election and be a means whereby Veterans and those interested become better informed on the issues being formed.

Comrade Laurel D. Powles will act as chairman of the meeting and invitations are being extended to Veterans and those residing within the area of Fox Lake, Lake Villa and territory surrounding Antioch.

## Friendship Train and March of Dimes Drive County Wide Success

Polio Campaign Fund Ex-  
pected to Reach \$32,000  
In Lake County

Antioch township shared with Lake county in two outstanding successes in acts of charity during the past week.

This community gave \$888.55 in the March of Dimes drive which is approaching a total of \$32,000 in the county. The goal was \$25,000 and the final count is expected to exceed last year's total of \$20,200 by 50 percent. Nearly every community collected more than last year and some even tripled the amount.

A carload of evaporated milk was sent to France as a part of the Abraham Lincoln Friendship train as the result of \$4,500 contributed throughout the county. The Farm bureau took the lead in solicitation and the farmers, churches, schools and business men co-operated.

A special ceremony was conducted at the loading of the car in Grayslake last Friday afternoon. The Farm bureau, and other farm groups, the schools, churches and business men's organizations were represented.

The two campaign carried on through much newspaper publicity gave evidence of the response of Lake county people when properly approached through sincere appeals.

## Bowling News

**Women's Handicap League**  
Again this week Antioch News held undisputed first place with 44 wins and 25 losses. Club Villa is one game behind in second with Slide Inn and Pagels tied for third.

Slide Inn rolled high game and high series for the week, 811 game and 2311 series.

Chain O' Lakes had second high game, an 801. Golden Glo Dairy had a 2191 series.

Individual scores were high this week but leading the list are Joyce Huff, who had a 498 series and a 182 game, Ann Rogers with a 491 series and June Schneider with a 192 game.

**Women's Major League**  
Blums 3, Antioch Cafe, O. J. Huff, for Blums, 180, 134, 163—477. R. Seyforth, 151, 137, 157—445.

Tiede's Insurance 2; Antioch Recreation 1; D. Ferris a 191 game; A. Rogers 152, 166, 144—462 for Antioch Recreation.

Blumh's 2, Bussie's Lounge 1. L. Simonsen, 150, 177, 189—516 for Blumh's. K. Keulman, 181, 150, 154—485 for Bussie's Lounge.

**Antioch Tavern League**  
Thompson's Tavern took two games from Antioch Recreation. Henry Grewe was high with 546, while John Russo had 538 for Recreation. Both teams are tied for third place.

Joe and Helen's won two games from Pagels Tavern. George Bell hit 555 for Joe and Helen's. J. Waldweier was high on Pagels with 516. Joe and Helen's are tied for second place with Ehrhardt's Resort.

Thor's Club Villa took two games from Ehrhardt's Resort putting them in 1st place and Ehrhardt's tied for second. Bill Keulman had 542 for second.

(Continued on page 5)

## School Board Makes Two Proposals to Newport on Hauling of Its Students

First of Two Buses Purchased at Cost of \$4,800  
And Driver Hired

Two proposals were made by the Antioch Township High school board to the Newport Township board relative to the hauling of Newport students to school here, and because not all of their board was present, the neighboring board will give its reply later.

One proposal was that the bus make stops in Newport township at the rate of 30 cents a mile or \$4.50 a day. This would cost about \$38 a year per student, out of which \$20 would be paid by the state.

The second proposal was for the Newport students to come to the edge of Antioch township nearest their homes and be picked up by the bus on its regular trip through the eastern edge of the township. This would involve a cost of about \$27 a student with the state bearing \$20 of the cost.

Principal T. R. Birkhead said the latter proposal was in his opinion the better of the two both in expense to Newport and in service to Antioch township students, when consideration is given them.

The Newport board may turn down both proposals, however, if it wishes. The board last evening purchased one bus at an approximate cost of \$4,800 and Harry Smith, a recent graduate, was hired to operate it and work as a custodian at the school.

The new bus will not be operated, however, until the second bus is obtained and that may not be for a month or more yet.

It was insured by the Nelson Real Estate Co.

## Lions Plan to Sponsor Carnival Next Summer; To Dine Athletes Mar. 8

Directors of the Lions club meeting Monday evening at Bussie's lounge decided to repeat their carnival which has been so successful in the last few years. James McMillen was named chairman of arrangements and it is expected that the date of the event will be ready before long.

The program was completed for the annual dinner honoring Antioch Township High school athletics which will be served on March 8. Pictures of the last world's series baseball games will be shown.

Plans were discussed concerning a dinner dance to be held in the near future. The next meeting of the club will be held Monday, Feb. 23, at Adolph's Channel Inn.

## Antioch People Attend Scout Area Dinner and Local Orchestra Plays

More than 800 persons attended the twenty-first annual Scout Leaders' Appreciation dinner of the North Shore Area council, Boy Scouts of America, at New Trier High school in Winnetka Tuesday night.

Music during the dinner was furnished by an orchestra of Antioch Boy Scouts composed of David Deering, Harold Cardiff, Robert Wilton, David Petty, Eugene Baethke, Paul Beil, Jack Nelson, and William Deering. William Deering played a piano solo and Eugene Baethke played a cornet solo.

The adults who attended are Harold Cardiff, Mrs. W. C. Petty, Dr. and Mrs. D. N. Deering, Mr. and Mrs. William Horton, Jr. Mr and Mrs. Elmer Baethke, Mr. and Mrs. Robert Wilton and son, Mr. and Mrs. F. A. Swenson, Mr. and Mrs. Richard Eckert and Mr. and Mrs. John Horan.

## There's Too Many Dogs At Large, Dog-gone-it Say Village Trustees

One hundred dog licenses were issued up to Jan. 1, but members of the village board declare that there are more than that number roaming the streets, knocking over garbage cans and scattering the contents for blocks.

President George B. Bartlett received the hearty approval of the trustees in his plan to order owners to have collars and tags on their dogs if they wish them to escape death.

The trustees say that they have been receiving many complaints from citizens on the large number of dogs at large.

## Somebody at the Door

## Antioch Beats Palatine And Downs Grayslake; Northbrook Tomorrow

Sequoits in Fourth Place In  
Conference Standing  
With Palatine

Northwest Conference		
	W	L
Bensenville	12	1
Barrington	10	3
Northbrook	9	4
Palatine	6	7
Antioch	6	7
Grant of Ingleside	5	8
Ela of Lake Zurich	4	9
Wauconda	0	13

The curtain dropped on High school basketball here in Antioch for the 1947-48 season Tuesday afternoon with the Grayslake games in which the varsity won 42 to 26, and the Papposes lost 33 to 16.

The Sequoits jumped to an early lead and had little trouble swinging on to victory. It was a revenge for the defeat by a 28 to 26 score handed them by Grayslake there on Dec. 9.

The two victories have given Coach Maurice Kruzan high hopes for victories over Northbrook and then Lake Forest in next week's district tournament at Wauconda.

**Play Lake Forest Tuesday**  
Antioch will play Lake Forest at 7:45 p. m. Tuesday in the second game of the tourney. The final game of the tournament will be played on Friday night.

Antioch High will bring its regular season to a close Friday night at Northbrook, a game which will decide whether or not the Sequoits will land in the first division of the Northwest conference or not.

Defeat of Palatine there Friday evening by the close score of 29 to 27 gave the local team at this time the undisputed edge in the tie with that team for fourth place in conference standing.

**First Victory in 14 Years**  
It was the first time that Antioch has beaten Palatine there in 14 years. The Sequoits took an early lead and kept it most of the way.

Palatine has its last game with the lowly Ela Friday night while Antioch must play Northbrook which has managed to edge out in earlier games.

Northbrook won from Wauconda Friday night 45 to 29 while Ela was beating Barrington 40 to 29, which on the basis of those scores gives Northbrook the edge over Antioch.

But edges don't mean a thing to some teams and with the fight the local team puts up at times, anything can happen.

Bensenville's 39 to 32 defeat of Grant puts that team out in front of all others and gives it the undisputed conference championship. Bensenville has a truly great team this year.

## State Bank of Antioch To Pay in Full Holders of Deferred Certificates

Payment in full of its deferred certificates as of Feb. 25 was announced today by the State Bank of Antioch. Certificate holders will be able to receive their checks after that date.

The announcement carried no comment, but the action speaks for itself in testimony to the successful operation of the institution.

The bank experienced a very satisfactory year and has installed additional safe deposit boxes and a night depository system for the convenience of its customers.

## Favorable Weather Go-Ahead Signal For Construction

Several New Buildings to be  
Started or Completed  
This Spring

Moderating weather gave building contractors the go ahead signal and it is expected that the numerous structures planned for Antioch will be started soon and those now under construction go ahead more rapidly.

Construction of the new village fire station awaits the signing of the contract and the disappearance of frost from the ground.

The Willow Dale dairy is in the process of spending \$5,000 in the construction of a new addition to its plant in the east part of the village. It has a new Zero-King cooling unit and is installing locker and shower rooms for employees. The company wants to build still more to take care of expanding business.

Ed J. Kidera who is the contractor also is in the process of putting up the Lauderette for C. E. Randall, of Kenosha on Rte. 173. He expects to have that place ready for occupancy within the next two months. Randall will have a license from the Telephone Co., to operate self service washers.

Another new building soon to be started is a garage 50x130 feet in size to be situated on the Brooks lot south of the postoffice. The lot was leased for 30 years by a Mr. Feyerabend of Rock Lake, Wis., J. E. Brooks said.

The Rosing building which is to house the National Tea Co., store is generally going up and should be ready by early spring.

## Servicenter Continues to Bowl Them Over In Zion, and Waukegan

The Antioch Servicenter match team defeated Zion Recreation last Saturday night at the Zion alleys. The total pin scores were Servicenter 2711 and Zion 2668.

High series rolled by the Antioch team were Hallwas with 571, and Ashe, 554; for Zion, Mericle had 583, and Schroeder 537.

On Sunday night, the Gem Club, of Waukegan, was handed another defeat in a return match, at the Antioch alleys. The Servicenter team victors by a 133 pin margin. Scores by games were:

Servicenter 919, 977, 902—2798.

Gem Club 912, 877, 876—2665.

For high series on the Servicenter team, Fischer had 574 and Carney 565 and Hallwas defeated Fritz and Nedham in a close match, 1159 to 1219. Hallwas hit for a 590 series.

Next Saturday night at 8 o'clock, the opposition will be Ingleside at Antioch and another close match can be expected.

## Graders Split Victories

The grade school basketball team won from Fox Lake grade school there Tuesday afternoon 24 to 16. The second team lost, however, by the close score of 14 to 15.

Mr. and Mrs. Gunnar Jacobsen, who spent the winter in Pasadena, Calif., returned to their home at Lake Catherine Thursday.

Mrs. Paul Bergman, of Lake Catherine, was taken to Condell Memorial hospital, Libertyville, Wednesday for observation.

## Board Awards Contract For Fire Station Floor to Laursen on \$520 Bid

New Fire Station Building  
Contract is Not Yet  
Signed

The village board meeting in special session last evening awarded a contract for the installation of a concrete floor at the present fire department station to Arthur Laursen on his bid of \$520.

The contract will call for a drain pit and cover, and the pouring of concrete around the cold air ducts leading to the furnace, and a gravel fill to a proper grade under the eight-inch concrete floor.

The new flooring is being put in to take care of the additional weight of the new fire truck.

Because he has been unable to see the village attorney, George McGaughey to get his contract signed, Contractor Ed J. Kidera of Lake Villa, has been unable to order his steel and prepare for the construction of the new fire station. Kidera said he would have to wait until the frost gets out of the ground before starting the excavation work.

The board approved a street light in front of Bob Mann's grocery and Otto's Steak House on Rte. 173.

No official notice of the approval by the State Commerce commission of the agreement on the grade crossing over the Soo line tracks at Ida ave., has been received but when it does come, the board plans to sell lot 10 in that area, originally planned for a grade crossing, to the highest bidder. Dirt from the new fire station excavation will be used to build the grade at Ida ave., across the tracks.

## National F.F.A. Week Local Chapter to Have Window Display Here

The Future Farmers of America are celebrating National Future Farmer Week starting Feb. 23rd.

Governor Green, of Illinois, has issued a proclamation declaring the event in Illinois.

In accordance with the proclamation the local chapter here at Antioch will have on display at The Antioch News a panoramic exhibition of the purposes and recent accomplishment.

The Future Farmers are members of the vocational agriculture classes in the high schools of the United States.

The organization had its birth in the state of Virginia in 1928.

The Antioch Chapter has the unique distinction of being the first to organize in Illinois on Feb. 1929, when the State Association was organized the following June, Homer Edwards of Antioch became its first state president. Edwards at present is a specialist in agricultural education in charge of Ex-Service men's training courses in West Virginia.

C. L. Kuttel, who organized the local chapter is the present chapter advisor.

Other officers are: Warren Wells, President; Gordon Gebhardt, vice-president; George Miller, secretary; Noel Ellering, treasurer; Benno Freund, reporter.

## Mrs. Mary McGlashan Dies After Long Illness at Home in Lake Villa

The funeral service for Mrs. Mary Y. McGlashan, 67, of Lake Villa, who died at her home on Oak Knoll Dr. at 12:10 a. m. Saturday, after a lingering illness, was held at 2 p. m. Monday at the Strang funeral home with the Rev. Dwight Dixon, of Lake Villa, in charge. Burial was in Angolia cemetery near Lake Villa.

Born Jan. 9, 1881 in Airdre, Scotland, Mrs. McGlashan came to the United States and settled in Lake Villa in 1928. She was a member of the Lake Villa Methodist church.

She is survived by her husband, Andrew G. McGlashan, a son, Andrew, Jr., of Elmhurst, a daughter, Mrs. Mary Sawyer, of Chicago, a sister, Mrs. Kate Peacock, Pawtucket, R. I., and two grandchildren.

## To Tell How To Hold Job

Miss Hildebrand, a representative of a Chicago business college, will speak in high school assembly here at 10 a. m. next Thursday on the subject "How to Hold a Job." Her talk is a part of the guidance program for the students.

## Grand Jury Indicts 11 for Operating One-Arm Bandits

Five From Antioch and  
Other Nearby Points  
Named in Probe

Charles "Bussie" Keulman, and Bernard "Bernie" Thompson of Antioch; Louis Pregelzer of Grass Lake; George Rox of Lake Marie; and Claude C. Hutchison, Lake Villa; are among 11 persons indicted by the Lake county grand jury on charges of owning and operating slot machines.

Keulman was charged with owning and operating the "one-arm bandits" at his tavern and at Ralph Thompson's tavern.

Tony Collette's tavern in Cuba township, and Romie's Hideout at Crooked lake are said to have used Thompson's machines.

Pregelzer's machines were said to have been placed at Herman's resort and Otis' resort at Grass Lake.

George Rox, the new operator of Sherwood Park, Cedar lake, was listed as having machines at Billy Gee's tavern and Wally's place on Rte. 41 at Rte. 63.

Heading the list named in the true bills was Claude C. Hutchison, Lake Villa, reputed king-pin of the loosely knit organization which governed the operation of the machines in Lake county during the past several years, according to Okel Fuqua, special prosecutor.

Hutchinson's machines were in the White House in Vernon township identified in indictment returned earlier against Leo F. Weiss alias Tom Williams, of Mundelein, Rocco Fichetti, Chicago, John Kelly, Highland Park; and August D. Liebe, Chicago.

Arthur R. Haas, Waukegan, was named as owner of machines at Fossland's service station on Rte. 41 near the Wisconsin line which is said to have had the large play in Lake county.

Arthur C. Miller, of Waukegan, was named owner of machines in the Gages lake and Bruce lake areas, while Thomas Booth, operator of the Lake County airport, owned machines at Diamond Lake and Mundelein.

Jack Welch, Barrington, brother of Joseph P. Welch, supervisor of Cuba township, was accused of operating machines at Lake Zurich, and Walter Schroeder, Fox Lake, had machines at Westwood Inn and Rudolph's bar at Fox Lake.

Earl Eddy, Mundelein barber, controlled the machines in his neighborhood.

Attorney Fuqua said that Pregelzer had purchased a tavern at Fort Lauderdale, Fla., and that he and the 10 others under indictment are at his winter home there.

No hearings have been set.

Hutchinson's bond is set at \$4,000; Haas at \$2,500 and the rest at \$2,000.

## Falls Through Hole in Ice and Is Saved by Caretaker of G. K. Anderson Estate

An elderly man identified by the Antioch Rescue squad as Anton Johnson living just off Linden lane on Lake Catherine, owes his life to John Jimerson, colored caretaker of the C. K. Anderson estate, on the southwest border of that lake, who pulled him from the icy waters of the lake late Wednesday afternoon. Jimerson said he just arrived home at the Anderson place from town when he heard a cry for help and looked on the lake and saw a man's head bobbing up and down in a hole through the ice.

He said he called to his wife to summon the rescue squad and then tore a rope loose from a row boat nearby, grabbed a pike and went out onto the ice to a point within 15 feet of where the man was and tossed him the rope. The man grabbed the rope and was soon dragged to safety.

Shaking himself in getting rid of surplus water Johnson thanked John and then set out across the ice for home. He was gone when the Rescue squad arrived, Walter Scott, member said, but Charles Larsen circled the lake to his home in seeing that he arrived there in satisfactory condition. He is believed to have suffered no ill effects. He was said to have been fishing through the ice and in walking hit a spot fed by springs which was too weak to bear his weight.

Members of the rescue squad warned persons fishing at this time of the year that there are many spots on the lakes that are dangerous because of springs and thawing conditions and advise them to stay off.

### A Lesson From England

England was the first great power to establish representative government. The tradition of individual liberty which has come to its fullest flowering in the United States had its roots in British soil. And now, ironically, England is 'proving' that economic dictatorship and personal freedom cannot exist together.

Every present-day report from London tells of increasing restrictions, more and more regimentation of the people, more and more coercion by the Labor party to advance its program. In the coal mines, something that is dangerously akin to a slave labor policy has gone into effect. Government officials, with staffs of spies and special police, tell the farmer what he may not do with what he produces. England has not, of course, emulated the frankly brutal methods employed in Russia, but the trend is ominously clear.

That is what always happens when people surrender freedom in exchange for dubious promises of economic security. Any form of totalitarian economics—whether it be socialism, communism or fascism—must inevitably pursue the same policies. The state must be organized like an army, and the orders must be obeyed.

It must have a legion of informers to turn in delinquents. It must have the power to reach into every segment of the national life and adapt it to its own purposes. It cannot brook an opposition that might unsettle it.

The most tragic development of the modern world has been the persistent fallacy that government should provide security—that it should stand between us and every conceivable contingency. This is the fallacy that has made possible all the tyranny, all the brutal disregard for the dignity and rights of the individual, all the perversions of justice and decency, that have blackened our civilization. Millions of people have pinned their faith in purely animal values and purely material considerations. They have put security ahead of freedom, and they have lost both.

The wisdom of those who founded this nation was never so apparent as it is today. They saw clearly

that only a government of limited powers could be trusted to preserve the liberties of the people.

### What is \$693,000,000?

Last year, the United States suffered a fire loss of nearly \$693,000,000. A figure like that, even in these days of billion-dollar calculations, is too large for anyone but an advanced mathematician to visualize. So the National Board of Fire Underwriters has released a few comparisons that show clearly the incredible magnitude of fire waste in 1947.

It was fifteen per cent greater than the whole farm income of New England in 1946. It was 40 per cent greater than the total education budgets of all American cities of more than 25,000 population in 1945. It was greater than all the tax revenues received by New York State in 1947. And finally, it was about equal in dollar value to the total payroll of the transit industry in 1946, the wages of the whole light power industry in the same year, and the net income of all American railroads in 1944.

Even that is only part of the story—and the smallest part. The \$693,000,000 was direct, calculable loss. The indirect loss, which cannot be precisely measured, is estimated to be two to three times as great. It is totaled in lost jobs, wages and taxes; in diminished production, and in all the other wastes that go with fire.

### The Low Down From Hickory Grove

You know, just because this U. S. A. has never bogged down and mired—and needed somebody to bail us out—is no sign we can't get mired. No more so than we can't break a leg some day, by being careless, just because up to now we have not done so.

And to make story short, a squint at our U. S. A. debt and the budgets being heaped on the taxpayer's bent backs, is enough to make shivers run up and down the spine. And with the big budgets, and big promises, 4 freedoms and everything, nobody, anywhere, is pleased or happy about anything in particular. Big spending has been a quick prescription. We even have pains and aches now, we never had before. And to add to our dilemma, take one dollar and a quarter haircut. The barbers say it is taxes coming home to roost.

So folks, maybe haircuts being hiked here and there to one buck and 2 bits each—man or boy—is a good turn in disguise for the taxpayers. That is, if Congress hears about it—and you can believe your barber.

Yours with the low down,  
JO SERRA

### LAKE VILLA

Next Sunday is Layman Day in the Methodist churches and the laymen will conduct the worship service at 11 o'clock.

Dr. Bradburn, Supt. of Methodist churches in the Chicago Northern District, conducted a meeting at the Community church last Sunday afternoon. After being for many years a part time student charge, the Lake Villa church will now be a full time pastorate and more details will be worked out before the end of the church year which comes in June.

The local Boy Scout organization Troop 84, in charge of David Schrum

Scoutmaster, entertained their parents, 60 or more, at a baked ham dinner at the school gym last Thursday evening, doing all the work of preparing and serving the dinner themselves, very much to their credit and to their leader. Following the dinner Arne Makela, Ass't. Scout Executive of the North Shore area, gave a talk and Mr. Schrum showed pictures taken last summer when the scouts made the trip to N. Michigan. The local group was represented at a meeting of executives at the New Trier high school on Tuesday evening this week.

Mr. and Mrs. Harry Nickerson, Russell Nickerson and family and Gene Nickerson were in Chicago on Monday to have a visit with their daughter and sister, the former Juanita Nickerson, who was to be in Chicago from 9 A. M. to 1:30 between trains, she was making the trip from Los Angeles to New York as companion to an elderly lady and they were on their way back to the west coast.

Mrs. Delbert Sherwood entertained the pupils of her music class at a

Valentine party at her home last Saturday afternoon and they all had a most delightful time.

Mr. and Mrs. Traver Ellis and children, of Belvidere, spent Sunday at the Hooper home and Mrs. Ellis and the children remained for a few days.

Mr. and Mrs. Ira Bailey and daughters, also Mr. Carl Seeger, of Kenosha, were guests of Mr. and Mrs. Richard Whitaker on Sunday. Mr. Whitaker has been quite ill.

Duke Weber was home from Lake Forest Academy over Saturday and Sunday.

Mrs. Lela Hale, who has been a guest at the Paul Avery, Sr., home for the past week, was guest of honor at a luncheon at the Avery home last Wednesday when Mrs. Avery entertained Mrs. Florence Kerr, Mrs. Helen Weber, Mrs. Reinebach, Mrs. Frank Hamlin, Mrs. Fred Hamlin, Mrs. Chas. Hamlin, Mrs. Stella Pedersen and Mrs. Helen Avery. Mrs. Hale left Sunday to return to her home in Shelby, Montana.

The fire department was called out at 6 a. m. Monday when a roof fire was discovered on the Jos. Hucker, Sr., place south of town. The house

is occupied by Mr. and Mrs. Oilschlager, and the fire was put out before great damage was done.

The ladies of the Sewing club enjoyed a luncheon and a social afternoon with Mrs. Pedersen on Oak Knoll Drive last Thursday.

Mr. and Mrs. Carl Geng of the Bungalow Market at Monaville have spent the past two weeks with friends and relatives at Detroit, Mich.

A number of alterations and improvements have been made at the local bank to allow for the increase in business during the past year, and another man will be added soon.

Mr. and Mrs. Robert McCann left early last Saturday to spend a three weeks vacation with Mrs. McCann's parents, who are spending the winter in Florida.

R. L. Gunnarson, who underwent surgery at Wesley hospital on Christmas Day, has recovered sufficiently so that he and Mrs. Gunnarson have returned to their home in Venetian Gardens.

Mr. and Mrs. Zens Zenor returned last week from a three weeks vacation spent in business and pleasure in Florida.

Joyce Josephine Sheehan, young daughter of Mr. and Mrs. Elmer Sheehan was christened on Sunday, Feb. 8, at St. Peter's church in Antioch. Sponsors were Miss Julia Slazes, of Kenosha and Charles Sheehan, of Lake Villa.

Mrs. Virginia Whittemore, who has been with her mother, Mrs. Bray, for some time since her husband has been transferred from New Orleans to Chicago, expects to join him soon in the home they have purchased in Flossmoor. Mrs. Whittemore and daughter, Anne, spent Sunday with Mr. Whittemore in Chicago.

Mrs. Hale, of Shelby, Mont., Mrs. Paul Avery, Sr., Mrs. Avery, Jr., Mrs. Ruth Sheehan, of Antioch, Mrs. Marie Hamlin, Mrs. Charles Hamlin attended a luncheon in Waukegan last Friday.

**HOW TO SAVE HALF THE WINTER FUEL  
BILL TOLD BY UNIVERSITY**

Rising coal and fuel oil prices give added point information released by the Small Homes Council at the University of Illinois telling about home insulation, which can save as much as one-half the winter fuel bill—one shovel of coal from every two.

Fifty per cent is the saving estimate for a typical two-story frame house with wood or shingle siding to which tight storm windows and doors, four inches of insulation between ceiling joists and three and five-eighths inches between wall studding is applied.

The facts about insulation and fuel saving, many resulting from years of careful research at the University, are presented in a free eight page non-technical circular. The high spot in it is a table showing reductions in a fuel bill possible in eight typical types of construction for one-story and two-story homes.

Benefits of insulation, the circular says, include greater comfort by making walls and window surfaces warmer, reducing drafts, and making heat more uniform; cooler houses in summer; and money saved by reducing fuel needs and requiring a smaller heating plant or less load on existing equipment. Also walls and ceilings are cleaner because dust and dirt do not gather on warm surfaces as they do on cold.

Good insulation will not attract insects and mice and will not form fire hazard, will not absorb moisture and get soggy and will not deteriorate or settle, the circular explains.

LEADING THE WAY INTO A NEW GOLDEN ERA...

**FUTURAMIC  
OLDSMOBILE**

FUTURAMIC Club Sedan  
(White sidewall tires at extra cost.)

For 1948... The Big News Is The  
New Olds! A brand new Oldsmobile  
"98" is here today! It's the first of  
the Futuramic cars... introducing

the first of the eagerly awaited new "postwar" Bodies by  
Fisher. It's Oldsmobile's Golden Anniversary model—and  
carries to a new high the Oldsmobile tradition of smartness!

When you see this Futuramic Oldsmobile, you'll realize what  
important news it brings. There's style news in its clean, flowing  
Futuramic lines—its modern simplicity inside and out. There's  
safety news in the greater visibility provided by the new, low  
hood design curved windshield, and extra size windows.

There's welcome news for passengers, too, in the lower, wider,  
roomier Futuramic body. And there's good news underneath the  
hood—a new high-compression head which adds extra horsepower  
to Oldsmobile's famous 8-cylinder engine.

Naturally, this brand new 1948 model offers Oldsmobile's fully  
proved Futuramic feature—GM Hydra-Matic Drive\*. Here's  
driving at its ultra-modern best. No clutch pushing—no gear  
shifting—just "step on the gas and go!" You go smoothly...  
comfortably... with thrilling performance... the Futuramic,  
Hydra-Matic way.

See the Futuramic Oldsmobile "98"—the colorful new Dynamic  
Oldsmobile "60" and "70"—on display in our showroom.

# SOCIETY EVENTS

## 250 Guests Present at Golden Wedding of Fred Sterbenzes

Mr. and Mrs. Fred Sterbenz, Sr., for many years residents of Loon lake, celebrated their golden wedding anniversary Saturday at their home at Loon lake and Millburn roads, with open house from 6 to 10 p. m.

Two hundred-fifty persons signed the guest book during the open house. They were served a buffet luncheon including wedding cake decorated with gold. The table was decorated with gold candles, golden colored bells and flowers.

Mr. and Mrs. Sterbenz were assisted in the receiving by their son and wife, Mr. and Mrs. Joe Sterbenz.

A mock wedding was performed by friends at seven o'clock. They were all attired in formal gowns.

Mr. and Mrs. Sterbenz were married in Europe Feb. 14, 1898 and came to the U. S. 43 years ago. They lived in Huntley and Volo before coming to Antioch 22 years ago.

They are the parents of ten children, nine of whom are living, two girls and eight boys. The girls are Mrs. Josephine Grant, and Mrs. Dorothy Owens, of Chicago; Fred, of Janesville; Albert of Missouri; Joe, of Antioch; Rudolph, of Chicago; Herman and Paul, of Antioch and George of Fox River.

Due to illness in their families Josephine, Dorothy, Fred and Albert were unable to be present at the celebration.

### ANTIOCH LEGION AUX. HOLDS INITIATION

The Antioch Unit American Legion Auxiliary held its regular business meeting in the Legion Home Friday evening. A class of eight candidates were initiated into the organization. February being designated as Americanism month the chairman, Mrs. Lillian Hand gave a short reading of quotations from Lincoln and the "The Story of Old Glory," which was interspersed with singing of songs of the different war periods, by Mrs. E. J. Hays, accompanied by Mrs. L. R. Van Patten.

Delicious refreshments were served by the chairman, Mrs. John Horan, and her committee, after which a valentine box they had prepared was opened.

The next meeting of the Unit will be the annual birthday party and will be held February 27.

### V. F. W. HOLDS BUSINESS MEETING

Veterans of Foreign Wars Sequoit post No. 4551 held its regular monthly meeting Monday evening at the Guild Hall. Plans were made for the next two months activities. Refreshments were served following the meeting. Mrs. Marie Ambrose, Dist. president, will visit the Auxiliary Monday evening.

### PAST MATRONS ENTERTAINED AT OSMOND HOME

Mrs. William H. Osmond and Mrs. Homer B. Gaston will be hostesses to the members of the Antioch chapter Order Eastern Star Past Matrons club at the Osmond home this evening. Bridge will be played followed by a luncheon.

### BETTY LOU BAUER CELEBRATES BIRTHDAY

Miss Betty Lou Bauer, daughter of Mr. and Mrs. Louis Bauer entertained a number of her friends at a slumber party at her home, Feb. 13, the occasion being her sixteenth birthday anniversary. The guests present were Misses Betty Jean McDougall, Barbara Barthel, Mary Rose Webb and June Petersen.

### MR. AND MRS. ARONSON PARENTS OF SON

Mr. and Mrs. Roy W. Aronson, of Woodstock, are the parents of a son, "Daniel Roy", born Feb. 15, at St. Therese hospital, Waukegan. Mr. Aronson is a former resident of Antioch and is the son of Mr. and Mrs. William Aronson.

### MR. AND MRS. R. A. WIEBOLD PARENTS OF SON

Mr. and Mrs. Richard Allen Wiebold, of Coresville, Va., are the parents of a son, John Allen, born Jan. 23, at the University hospital at Charlottesville, Virginia. Mrs. Wiebold before her marriage was Miss Mary Kay Lynn, formerly of Antioch.

### V. F. W. AUX. PUBLIC CARD PARTY

The Ladies Auxiliary and Veterans of Foreign Wars post No. 4551 will sponsor a public card party Monday, Feb. 23, at 8 p. m., at the Guild hall. Prizes, refreshments, Bridge, 500, etc.

Mr. and Mrs. Irving Elms spent the weekend in Carthage, Ill., with their daughter and husband, Mr. and Mrs. H. W. Bothe. Mr. Bothe is attending Carthage college.

Mr. and Mrs. Joseph Meyerhofer, of Lake Geneva, Wis., were Sunday guests of their daughter, Mrs. Nick Hilbert, and husband.

Mr. and Mrs. Winsor Dalgaard are vacationing in Florida.

### WOMAN'S CLUB HAS INTERESTING MEETING

Antioch's Woman's club held their regular meeting at the home of Mrs. Margaret E. Gaston Monday.

Dr. Frank Keefe, optometrist, spoke on "Psychosomatics".

The next meeting will be held March 1, at the home of Mrs. John Horan. The speaker will be from Council on Foreign Relations, Mesdames Wm. H. Osmond, Arthur Laurson, George Wagner and L. V. Madden comprise a committee assisting in the entertainment.

### RAINBOW GIRLS TO HOLD MEETING MON.

A social time is being planned to commemorate George Washington's birthday, Monday, Feb. 23, following a regular meeting of Antioch Assembly No. 23, Order of the Rainbow for Girls.

On Feb. 9, we initiated Nancy Thompson. Several visitors of the Order of the Eastern Star and of the Masonic Lodge were present.

### METHODIST LAYMEN TO LEAD SUNDAY SERVICE

Laymen of the Antioch Methodist Church will take over and conduct the worship service this Sunday morning at 11 o'clock. The occasion is Laymen's Sunday, an annual observance of Methodist Churches, emphasizing the strategic importance of laymen in the church of today. The Sunday morning service is a special occasion at the Methodist Church inasmuch as the Finance Committee has recently drawn up plans for an adequate budget plan for the church, and members and friends are asked to return their pledge cards this Sunday.

Mr. M. C. Cain, Lay Leader of the Church will be chairman of the service Sunday morning. The message will be brought by Mrs. George Good and Mr. Charles B. Watson. Others who are assisting in the service include Mrs. Luster Badger and Mr. Elmer Baethke. The robed choir under the direction of Mr. Watson will sing, "Remember Now Thy Creator."

### MYF TO DISCUSS LIQUOR

Concluding a series of two meetings on the subject of "Youth and Alcohol" the Methodist Youth Fellowship will have a Round Table discussion Sunday evening at 8 o'clock. A group of six young people will participate in the program. Preceding the discussion Norma Jarnigo will lead the devotions.

Frank Powles is vacationing with Mr. and Mrs. William A. Thompson, in Leesburg, Fla., and with Mr. and Mrs. Sidney Van Tuyl at St. Lucie, Fla.

Mr. and Mrs. Joseph Vachta returned home Sunday after spending the past six weeks traveling in California, Texas and Arizona.

### Son of Lake Villa Couple Chosen To Attend Signal School at Eastern City

Fort Monmouth, N. J.—Capt. Westleigh A. Carlsen, of Brevant and Burlington avenues, Atlantic Highlands, N. J., son of Mr. and Mrs. Ernest Franklin, Lake Villa, Ill., has been chosen to attend the Officer's Associate Basic Course in Communications at the Signal School here.

Entering the service in 1940, Capt. Carlsen was assigned as a radio student at Scott Field, Illinois. Later he attended the Radar School at Boca Raton, Fla. In November 1942, he was selected for Officer Candidate Training at Fort Monmouth. Upon graduation he was ordered to Camp Murphy, Fla., for additional Radar Training.

His overseas assignment was in the European Theater where he served as a Signal Supply Officer and Signal Operations Officer.

Capt. Carlsen graduated from Lake Forest High school. He completed one semester at Lake Forest college and was a member of the Illinois National Guard at Waukegan.

Bill Setek, Jr., son of Mr. and Mrs. William Setek, recently returned from a visit with his aunt and uncle, Mr. and Mrs. William Rossback at St. Paul, Minnesota.

Mrs. O. E. Hachmeister and daughter, Mrs. Richard Kenedy, left Sunday for a weeks visit with relatives and friends at Louisville, Ky., and Evansville, Ind.

### Aids Lake Villa Department

The Antioch fire department went to the aid of the Lake Villa fire department Monday on a call to the Donald Alschlager residence on the Joseph Hughes farm on Monaville rd., south of Lake Villa. The damage was confined to a small portion of the roof. Mr. Alschlager discovered the fire when he happened to look back at the house on his way to work Monday morning.

### Otto's Steak House Asks Permit to Sell Beer, Wine

Richard Gruner, proprietor of Otto's Steak House on rte. 173 has asked the village board to consider giving him a license to sell beer and wine with meals.

Two situations now prevent the board issuing a license. First is the fact that the village has no ordinance covering that type of sale of wine, and second, the present ordinance sets a limit on the area in which licenses may be issued.

An amendment to the ordinance to permit the issuance of a license to Gruner was both favored and opposed by board members present at the special meeting last evening, but Gruner does not want the license until his summer trade comes on May 1 and the board will have until that time to think it over.

## MILLBURN

Rev. L. H. Messersmith has chosen the topic "Be Sincere" for his sermon Sunday, Feb. 22. This is the second in a series of Lenten sermons based on the Ten Commandments.

Sunday evening Rev. Ronald J. Goldman will speak on "Youth in the Churches of Britain and America." Rev. Goldman is a Fellowship student from England at the Chicago Theological Seminary.

Millburn unit of Home Bureau will meet at the home of Mrs. Carl Anderson Friday afternoon at 1:30 o'clock. The major lesson will be given by Mrs. Emmett King and Mrs. Frank Edwards.

The regular monthly meeting of the Couple's club will be held at the church Tuesday evening, Feb. 24. Each couple is to bring sandwiches and a dish to pass. Pictures of a hunting and fishing vacation trip in the west will be shown by Mr. and Mrs. Clarence Webb, of Kenosha.

Rev. and Mrs. Messersmith entertained the members of the choir at a chicken dinner in the church dining room Wednesday evening. Twenty-six guests were present for the dinner.

Mrs. Marshall Kimball, of Lake Villa and Mr. and Mrs. Thomas Edwards, of Rosecrans, were callers at the O. L. Hollenbeck home Monday. Mr. and Mrs. Otto Menn and Mrs. Robert Menn, of Kenosha, and Mr. and Mrs. Don Truax were dinner guests at the home of Mrs. Ida Truax Sunday. Other guests for supper were Mr. and Mrs. William Schroeder and Mr. and Mrs. Everett Truax and daughters, of Waukegan.

Mrs. Messersmith and her Sunday school class enjoyed a party at the home of Miss Betty Erickson at Crooked Lake Monday evening.

Mr. and Mrs. F. G. Edwards spent Saturday evening at the John Edwards home at Libertyville.

Mr. and Mrs. John Feuling and son, John, Miss Helen Schey and Jim Crombie, of Columbus, Wis., spent the weekend with Mr. and Mrs. Pat Murphy.

Mr. and Mrs. Leigh Jones spent the weekend with the latter's parents, Mr. and Mrs. Dunham, in Indiana.

Mr. and Mrs. Orville Hairrell and family spent several days in Marion, Indiana, where they were called by

the death of Mr. Hairrell's mother. Rev. Messersmith is showing sound motion pictures in 8 different schools this week.

Mr. and Mrs. W. F. Wetzel, who

have been caretakers on the H. J. Moheiser farm, moved Sunday to the Harris farm, east of Libertyville.

Eighteen relatives and friends helped George Murrie celebrate his

birthday anniversary at the home of Mr. and Mrs. Francis Swenson Saturday evening.

Rev. and Mrs. L. H. Messersmith and Mrs. Ora Davis were dinner guests at the Minto home Sunday in

honor of Miss Una Jean Minto's birthday anniversary.

Miss Barbara Kane, of Diamond Lake, is spending a few days with her grandparents, Mr. and Mrs. J. S. Denman.

Which gets your money  
OIL HOG or PIGGY BANK?

If you have an "oil hog" oil burner, it gets the money that should go in your PIGGY BANK.

But here's a quick solution . . . Timken Guaranteed Fuel Savings!

Our proposition is this:

We'll test your present burner. If it's using more oil than it should, we'll replace it with a Timken Wall-Flame Oil Burner . . . backed by a written guarantee of savings. Then, if your Timken fails to make good on the guarantee, we will re-install your original burner and refund your money.

Fair enough?

Call us today for a free test of your present burner! Thousands are saving up to 25% or more with Timken. Perhaps you can, too!

Agriculture and Industry are Partners  
In Chicago and Northern Illinois

THE LOCATION of Chicago and Northern Illinois has made it the world center for food processing and farm implement production. A billion dollars worth of food is processed annually here in the heart of the nation's greatest hog-raising and cattle-feeding area.

The first beef was packed for shipment to Detroit in 1832, the hides being utilized for trunks, saddles and harness. The growing influx of grain, cattle, hogs and other products from the farms soon led to the establishment of other branches of manufacturing—milling, soap and candle-making, lard rendering, glue manufacture and cooperage.

Supplying Farm Machinery to the World

John Deere's development of the steel plow in Grand Detour and Cyrus McCormick's decision to move the manufacture of his celebrated reaper to Chicago inaugurated the agricultural implement industry here. Today this area is the largest producer of farm machinery in the world.

Due in great measure to the city's growth as the natural railway center of the Middle West, and the invention of the refrigerator car in 1874, Chicago became the hub of the American meat packing industry. Since the opening of the Union Stock Yards in 1865, it has received nearly one billion meat animals. By 1885, its purchases exceeded a million dollars a day. In Illinois alone, farmers have derived more than 40 per cent of their total income over the years from meat and meat products.

Ingenuous utilization of the by-products of the meat industry allowed the early packers to market meat at lower prices than local butchers in the East could offer. Early by-products were lard, tallow, brushes, Prussian

blue, bone black, beef gall, beef extract, glycerine, gelatin, fertilizer and glue. Today, the processing of by-products is so specialized that the farmer usually receives more for the live beef he markets than the packer realizes from the sale of meat from the animal. By-products from meat packing now add at least 200 million dollars annually to Chicago industries. A few examples of such by-products are feeds, felt goods, leather and sheep-lined clothing, manufacturing bones, athletic goods and pharmaceuticals, for which the glands of the animals supply insulin, adrenalin, thyroid extract and many other remedies.

Several large private laboratories in Chicago and Northern Illinois are developing non-food utilization of farm crops and residues in this huge grain distributing and trading center. The Department of Agriculture's Research Laboratory in Northern Illinois, which discovered a way of multiplying penicillin production 200 times during wartime experiments, is now seeking new uses for corn, soybeans and wheat.

Still More Uses for By-Products

More than fifty products are already manufactured from corn. Illinois has four of the nation's eleven corn refining plants, including one of the largest in the world. From soybeans, in which Illinois is a leader in production, are derived paints, plastics, varnish, soap, linoleum and oilcloth, as well as many edible products.

Learning long ago the value of interdependence between city and farm, the Chicago and Northern Illinois area is, and always will be, part and partner of the world's richest agricultural empire—the valley of the Upper Mississippi and the great plains beyond.

TERRITORIAL INFORMATION DEPARTMENT

PUBLIC SERVICE COMPANY OF NORTHERN ILLINOIS

**HICKORY**

Mrs. Caroline Marble visited relatives in Waukegan from Sunday until Wednesday afternoon. She attended the funeral on Tuesday of her niece's baby, 4 months old, Charles Millmore, son of Mr. and Mrs. Ed Millmore, of Waukegan.

Emmett King met with an accident to his left hand while working in his woods on Monday afternoon of this week. The little finger and next finger were crushed between two logs. His wife rushed him to Dr. Breakstone in Antioch for treatment.

Fritz Gerber and Walter Gerber, from Oxford, Wis., visited their brother, Bill Gerber and family over night Sunday and again Monday night.

Mrs. Nettie Wells received many cards and letters on her 84th birthday anniversary last Tuesday, Feb. 10. In the evening the Curtis Wells family and the Savages and Hollenbecks and Josie Mann from Millburn called.

Mr. and Mrs. Al Swenson and family visited Mrs. Anna Swenson in Kenosha Sunday afternoon.

Mr. and Mrs. O. L. Hollenbeck, of Millburn, visited Mr. and Mrs. S. J. Handley Wednesday afternoon.

**Georgia Lumber Boom**

Answering an unprecedented demand for southern pine and hardwoods, Georgia's lumber industry is yielding more money than at any time in its history. The Georgia state department of forestry reports that the industry is producing at the rate of 120 million dollars a year.

**Equinoctial Storms**

Stormy weather in March and September at the time of the equinoxes is caused because at these times there is generally the greatest difference between day and night temperatures. This tends to favor heavy development of clouds and other factors which bring wind and rain.

White sidewall tires, as illustrated, available at extra cost.

**You've Stopped... you've Looked... now Listen**

It's stopped you more than once as its graceful length moves smoothly down the street.

And again and again, you've turned to look at this fashion plate that so plainly proclaims its power and mobility in every line and action.

Now listen to the engineering story that makes this the car of the year,

most wanted not only for stunning good looks but for all-round goodness.

You ride here behind Fireball power that is lively and eager and big—and now cradled to the fluid smoothness of still waters running deep.

You relax in big cushioned interiors that are rich and fine in finish—and so blissfully quiet that it seems a whisper can be heard through-out the car.

Your tires are soft pillow cushions, your four springs gentle coils, your rims the sure-footed Safety-Ride kind that only Buick provides.

Your ride is the first one truly shielded against road shudder and shiver by scientific damping of vibration build-up within the car.

And if you choose a ROAD-

MASTER, you can treat yourself to Dynaflo Drive\*—a liquid-smooth drive that does away with all gear-shifting—and driving becomes a near-miracle of ease.

You profit, in Buick, from 30-odd new advances—choose from ten sparkling models—select from three series in three wheelbases and four power ratings.

You get style—you get size—you get comfort, quiet and ease—and ever the solid goodness that the name Buick stands for.

So why are you waiting, when waiting only puts off the brightest moment of a motoring lifetime? See your dealer and place your order now.

Tune in HENRY J. TAYLOR, Mutual Network, Mondays and Fridays

For hours after every meal, a local lady used to lift up a strong acidulous liquid. At times she would nearly strangle. Today, this lady eats her meals and enjoys them. She says the change is due to taking ERB-HELP. Her food agrees with her. Get ERB-HELP for stomach distress—Reeves Walgreen Agency Drug Store.
